

1. Introduction to Marian Parent Feedback Survey

I am grateful to our many coaches who dedicate so much time and effort to help our student-athletes develop. Through this new vehicle, I welcome feedback from our parents. Student-athletes should fill out their own survey through the other link on the email. The goal of this anonymous survey is to help our coaches continue to develop in their areas of Christian witness, modeling our mission, administrative tasks, theory and techniques, strategy and public relations. I trust that comments will be given in the spirit of Christian charity. The survey responses should focus on the head coaches. If you have feedback on assistant coaches, please make those comments in the "comment" section. If you have additional comments or concerns, please feel free to share them directly with the coach or with Athletic Director, Reggie Glon (rglon@marianhs.org.) Thank you in advance for taking the time to complete this survey and for the many ways that your support Marian High School.

Sincerely, Carl Loesch

Please submit your responses by May 1st 3pm.
