

# TRIUMPHANT IN THE FRAY AT MARIAN

LEAD

## Paul Saros Class of 2015

I have been a member of the baseball team for all four of my years here at Marian.

Knights Baseball has taught me many valuable life lessons. The most important, in my opinion, is learning the ability to juggle life, sports, and school - a lesson that will stay with me for the rest of my life. I know that whatever path I take after graduation, I will be equipped to handle the stresses that life throws at me. From my experience as a student-athlete at Marian, I've also learned to be a team player both on and off the field. I know that I will not be able to do everything in life by myself; we all will need to call upon someone else to assist us from time to time and we all need to answer that call when someone needs us. Playing baseball at Marian was one of the best decisions I have made in my time at Marian.

At Marian, our athletic program is an important vehicle for furthering the mission of the school and for teaching life lessons that transcend the classroom. Through their involvement in our athletic teams, Marian student-athletes learn how **to make a commitment, to put team before self, to sacrifice** for a common objective - **to lead**. It is our goal that our student-athletes enjoy an authentic team experience that serves as a model for their future endeavors. Through this process, they come to discover their talents and how best to use those talents to serve the community.

# TRIUMPHANT IN THE FRAY CONTINUED

AT MARIAN HIGH SCHOOL, ATHLETICS ARE CONSIDERED TO BE AN INTEGRAL PART OF OUR ENTIRE DEVELOPMENTAL PROGRAM. STUDENTS DEVELOP SPIRITUALLY, ACADEMICALLY, SOCIALLY, AND PHYSICALLY. OUR RICH ATHLETIC TRADITION HAS BEEN AN IMPORTANT PART OF THE TOTAL DEVELOPMENT OF OUTSTANDING MEN AND WOMEN.

## Onward Knights To Victory

In addition to varsity level sports, we offer **full JV and Freshman programs**. Approximately **70%** of our **student body participates** in interscholastic athletics, while many more participate in our intramural athletic programs. This participation yields great success! Since opening our doors in 1964, our athletes have earned countless **awards**, placed in several **tournaments**, played in **16 state championship games**, and brought home **3 state football** championships, **2 women's state volleyball** championships, **2 men's individual state golf** championships, **1 state golf** championship, and **1 women's state soccer** championship.

## Marian Plays Like a Champion

Marian High School has partnered with Notre Dame's Play Like a Champion Today™ initiative, to further our commitment to develop the whole person through sports by fostering growth in athletes physically, mentally, socially, morally, and spiritually and to elevate the culture of sports by forming our teams to be moral communities.
