Marian's History

On Tuesday, September 4, 1964, Marian High School started classes at 8:40 a.m., marking the beginning of Catholic secondary education in Mishawaka. Under the direction of the Diocese of Fort Wayne-South Bend, over two years of planning and construction of the 72 acre campus took place before the front doors were opened to the first freshman class of 131 boys and 108 girls. Twelve faculty members comprised the first teaching staff, which included one lay teacher.

Since opening its doors over 50 years ago, Marian's dedicated faculty and staff has served over 7,000 students from Mishawaka, South Bend, Granger, Goshen, Elkhart, Plymouth, and more. Our current enrollment has grown from that first class of 239 to 700 students, and our faculty and staff has grown to over 100. Marian's blue and silver were chosen by the first class on the first week of school, and our colors run true to this day.
