

WORKING FOR GOOD AT MARIAN

SERVE

Hunter Renner Class of 2020

I grew up attending St. Monica Parish and Mishawaka Catholic school. This started my journey in service to others, but

Marian High School has expanded my opportunities to serve my school, the local community and the Church.

I am a member of the Marian Student Council, and we sponsor a variety of events for students, including the Hunger Bowl, Homecoming Week, and Eric's Promise. Students also support local causes by donating food for needy families and by collecting items for the St. Vincent de Paul Society.

Each fall the entire school goes into the community for a day of service, working for local charities, such as REAL Services, La Casa d'Amistad, Hannah's House, St. Paul's Retirement, Women's Care Center, and more. It is so gratifying to see the faces of all of the people who are helped. It makes us proud to be a part of the service done by the Knight Nation.

Marian's faculty, staff, and students are great role models for balancing excellent academics and genuine service to others. Marian has taught me that simple things can bring joy, hope, and big changes to people's lives. I am a part of the Marian family and I am proud to be learning, serving, and leading.

Marian students constantly encounter opportunities to follow Christ's example of service. This happens primarily because of the very way in which the educational mission of Marian is different than that of secular schools. "Christ is the foundation of the whole educational enterprise in a Catholic school. His revelation gives new meaning to life and helps man to direct his thought, action and will according to the Gospel, making the beatitudes his norm of life." - The Catholic School

Serving the Community

For many Marian students, the primary invitation to service is to the family and to the school community. Marian High School provides a myriad of diverse opportunities to serve both the Marian and local community.

Comforting those who Mourn

"AN AUTHENTIC FAITH - WHICH IS NEVER COMFORTABLE OR COMPLETELY PERSONAL - ALWAYS INVOLVES A DEEP DESIRE TO CHANGE THE WORLD"
POPE FRANCIS, EVANGELII GAUDIUM

Serving our Church

Following the example of the Blessed Mother who said "yes" to the invitation to serve God and all of humanity, Marian students, under her protection and guidance, serve the Church of her Son. The participation of Marian students enriches the Liturgical celebration, daily prayer, and spiritual life of the school where the call to serve is nurtured and cultivated.

MARCH FOR LIFE

Students and chaperones accompany Bishop Rhoades to Washington, DC each January to join the Right to Life March.

LITURGICAL CHOIR

Choir members sing for each All-School Mass, the Mass for the Bishop's pastoral visit, and the annual Pueri Cantores Mass.

CAMPUS MINISTRY LEADERSHIP TEAM

Students work with our Campus Minister to plan liturgies, organize bible studies, prayer groups, and student retreats.

STUDENT ALTAR SERVERS

Students assist the celebrant at All-School Masses on the altar during the liturgy.

WORKING FOR GOOD CONTINUED

Serving Each Other

While public service to the community and to the Church is necessary and important, there are also less noticeable ways in which Marian students serve one another daily. Numerous clubs and organizations within the school, all overseen by Marian's Dean of Student Formation, work to support and inspire the "building up" of the Marian student body.

STUDENT GOVERNMENT

The elected student leaders collaborate with members of the student body and the administration to coordinate class and all-school events.

SCIENCE OLYMPIAD

There are over 7,000 teams in all 50 states who take part in rigorous standards-based challenges in Science, Technology, Engineering, and Mathematics (STEM).

STUDENT AMBASSADORS

Help to orient and acclimate new, transfer, and prospective students and their families to Marian High School.

HOMWORK HELP

Teachers and students volunteer their time and staff after school study tables for students seeking help with homework.

CAMPUS MINISTRY LEADERS

Students gather to share spiritual testimony and to pray for one another and members of the school community.

HOMEROOM TUTORING

NHS students provide homework help for freshmen who need assistance in mathematics and English.

NHS TUTORING

Members of the National Honor Society provide academic support after school, M-TH, for any student seeking additional assistance.

PEP CLUB

Fosters school spirit and student participation through events such as pep assemblies, intramural activities, and competitions.

SADD CLUB

Educates students on the importance of making good decisions both inside and outside the school.
