

**Exciting News From Marian High School:**  
**Marian Has Made A System Change That Impacts Your Student(s)**

Dear Parents:

You are receiving this communication because the district is offering an online service to help you better manage your child's school meal account. You now have the ability to check your child's school meal account balance online, as well as make payments with your Visa, Mastercard, or checking account.

In addition to helping the school take advantage of the latest technology, this service is a great convenience to you. By utilizing [www.EZSchoolPay.com](http://www.EZSchoolPay.com), you will not have to wonder if the check you wrote for meals actually made it to school and your children will be assured that meals will continue uninterrupted.

Features and Options:

- Send payments faster and directly into your child's meal accounts: Payments are credited within 10 minutes.
- Mobile applications: EZSchoolPay is available from your device's app store and are available for iPhone, iPad, and Android devices. Receive alerts of low balances, make payments for your child's meal account, and purchase items from the school store.
- Low Balances: Receive alerts when your child's balance drops below a certain balance.

If you would like to take advantage of any of the features mentioned above, you must create an online account with [www.EZSchoolPay.com](http://www.EZSchoolPay.com). Getting started is easy! Visit [www.EZSchoolPay.com](http://www.EZSchoolPay.com). The website will guide you to create an account and link your student(s) to the account before entering a credit/payment.

Your child's EZSchoolPay.com Student ID# begins with "27" and can be found on your child's schedule. If you should need further assistance, please contact Mrs. Mary Quiett, Marian's Registrar at [mquiett@marianhs.org](mailto:mquiett@marianhs.org).
