

Marian High School and the University of Notre Dame's Center for STEM Education are proud to sponsor the

COMPUTING AND ROBOTICS EXPERIENCE

June 18–28, 9 AM–Noon

For students entering 6th, 7th or 8th grade in Fall 2019

"Hands-on" and "Minds-on" Learning!

ND CoRE is aimed specifically at middle school students who want to work collaboratively, learn basic programming skills, and use the engineering design cycle to solve problems.

Cost

\$200 per student, but half- and full scholarships are available. Those interested should inquire with the host school for more information regarding scholarships.

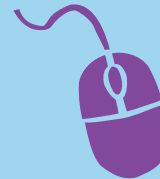

Location

Marian High School
1311 S Logan St.
Mishawaka, IN 46544
(574) 259-5257

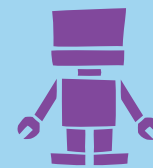

Camp Highlights

Engage in hands-on collaborative activities focused on the engineering design cycle

Learn how to code in two different computer languages

Work with the Finch Robot to navigate obstacles, sing songs, and play games

Design and code your own robotic pet

Summer Computing and Robotics Camp Registration Form

Online: Register at the following link to reserve your spot: stemeducation.nd.edu/mishawaka. Send your tuition check to the address above. Please include your child's name and "STEM Camp" in the memo line.

Mail: Send this form and your tuition check to the address above. Please make checks payable to Marian High School.
