January 27, 2020

Dear Friends in Christ,

Welcome to the 2020 Marian Dinner and Auction! Thank you very much for coming to support Marian High School and its mission of Catholic education. I hope you enjoy the dinner and auction.

I am proud of the excellent formation of our young people who are students of Marian High School. The integral education at Marian aims to develop the intellectual, physical, moral, and religious capacities of every student. I see the fruits of these efforts in the wonderful graduates of Marian. They have received an education in the virtues that serves them for life, with the aim being eternal life with Christ.

Marian High School needs your financial and spiritual support. You are partners in the mission of educating new generations of young disciples. I am very grateful for the sacrifices you make to ensure that this mission continues and flourishes.

May the Lord bless you for your stewardship and generosity! And may the Blessed Virgin Mary, Our Lady of Lourdes, watch over the Marian community with her maternal care!

Gratefully yours in Christ,

+ Kevin C. Rhoades

Letter from Principal Mark Kirzeder

Marian Family and Friends,

Welcome to **Derby Knight**, the fourteenth annual Marian Auction! We look forward to building on the great success of the past years, celebrating fifty-six years of tradition at Marian High School and the promise of a bright future for the Marian community.

This year at Marian High School has been truly exciting! Through the generous contributions from many supportive members of the Marian Family, the construction began on our new grotto dedicated to the school's Patroness, Our Lady of Lourdes. We look forward to incorporating this wonderful new addition to the Marian campus into our rich prayer and faith life.

Marian has always opened our doors to welcome students from a diverse set of backgrounds. In August, we were blessed to be able to launch the Bernadette Scholars Program, which is designed to include students with moderate cognitive disabilities in Marian's Catholic educational environment. This newly formed program has provided an opportunity for Marian to support students who otherwise may not have been able to attend. The Bernadette Scholars Program has also provided a joyful opportunity for all students, faculty, and staff to more fully realize our mission to "live the example of Jesus Christ as teacher and servant."

As we gather tonight, know that I am so very grateful for your tremendous generosity and support of Marian's mission to provide each and every student with a real encounter with the Love of Jesus. Your donations of time, talent, and treasure are not just an integral part of our annual operating budget, but also help to make a Marian education possible for families in need of financial assistance for tuition.

The success of the Derby Knight would not be possible without the hard work and support of many people. It is of the utmost importance to thank Bishop Kevin C. Rhoades for his presence here this evening, for his leadership in our diocese, and for his commitment to Catholic education.

I am extremely grateful for the continued involvement of our Honorary Chair, Florence Veldman. It is a blessing to have her involved in helping Marian continue to serve students in our community, especially since her family has had such a strong & rich tradition at Marian.

I especially want to thank this year's auction Co-Chairs Tara and Dan '82 Shea and Stephanie and Scott Shurz, whose dedication and leadership were vital to the success of this evening. I also thank Development Director Alicia Redinger, Assistant Director Colleen Ravotto '85, Special Events Coordinator Nicole Walter '11, Administrative Assistant Margy Kloska, and the dozens of dedicated committee chairs and volunteers. Their commitment, creativity and enthusiasm shine through in every detail of this evening's event. Finally, I am grateful for all of you, the attendees, for your generous contributions at tonight's auction.

Many thanks for your support, and enjoy Derby Knight. And we're off!

Mark B Kirzeder

Mark B. Kirzeder

Honorary Chair Florence Veldman

A chance meeting in 1958 at Holy Family church between Ben Veldman and Florence Jaworski began a series of events that few would have predicted!

Florence graduated early from Washington High School. Ben had immigrated from the Netherlands to work on his brother's farm. He later graduated from Western Michigan with an engineering degree and Michigan with his master's degree.

By 1961 the pair were married and living in Milwaukee, Wisconsin. They moved back to South Bend in 1963 with the hope of one day having twelve children and giving their children twelve years of Catholic education. With this in mind, Ben designed a beautiful home, on what is now Veldman Road, so they would be close to Marian High School. Florence and Ben were blessed with fourteen children, many of whom were able to attend Marian: Andy+, Maria '80, Julianne '82, Bernie '84, Wendy '85, Jim '86, Paul '86, Tim '88, Emily '89, Angela '89, Ron '92, Molly, Rachel '95, and Brent.

Over the next thirty years they not only raised their children but opened their home and hearts to 54 foster children and 2 refugee families. The realities of having such a large family taught great life lessons about making sacrifices for the good of others. Their faith guided them throughout the trials and great joys of caring for so many children. Regardless of what was happening in their lives, Florence and Ben made a point to pray every night with one another and their family. They were proud of their children's accomplishments at Marian.

Ben valiantly fought cancer and passed away peacefully in July of 2005. He may have lost the battle with cancer but he convincingly won the battle of life, leaving a legacy of faith and family. After his death, Florence and her family set up a scholarship in Ben's memory, known as the Veldman Large Family Scholarship Fund. Just as they benefited from scholarships for their children, they wanted to give back and help provide Catholic Education to other large families.

Florence continues to serve her family, parish, and community. To this day, she is a Eucharist Minister for the sick and homebound. She also helps the elderly by bringing them food and driving them to appointments. One of her greatest joys is her large extended family as well as being known as Oma to her 30 grandchildren and 6 great-grandchildren.

The Marian family is stronger because of Florence and the Veldman family. She has exemplified the Marian mission of living the example of Jesus Christ as teacher and servant.

A tradition of exceptional people doing exceptional work

Goshen Hospital is excited to announce that for the **fourth time**, we've earned Magnet® designation from the American Nurses Credentialing Center. When it comes to nursing excellence, Magnet® designation is one of the **highest, most prestigious honors** a health system can receive – **and only about 60 hospitals in the world have earned it four times**. Our level of excellence far exceeds what most hospitals can achieve – locally, regionally, nationally or internationally.

At Goshen Hospital, we're proud of our Colleagues and the exceptional care they provide. But most of all, we're grateful for the opportunity to care for our friends, neighbors and community – every single day.
