Job/Work Permits are completed through the School Counseling Office at Marian High School. Mrs. Kloska is the primary point of contact for all work permits. Mrs. Mary Quiett can also help when Mrs. Kloska is not available.

You can also get a work permit by contacting your school district's administrative office.

Before contacting Mrs. Kloska, please fill out an "Intent to Employ" form. You can get this form from your employer, from the School Counseling Office, or by downloading the [Intent to Employ Form](#). Complete the form in its entirety including ALL signatures.
