

Marian High School and Mishawaka Catholic School, in a joint venture, are looking to hire one part-time childcare providers to care for the children of our teachers and staff members during the school year. In an important ministry of the Catholic Church, we are hoping to support our Catholic school educators in a way that aligns with our commitment as pro-life, pro-family institutions so that our new mothers and fathers may continue to serve our school communities as educators even after they have children.

Applicants should have a love of working with children and a desire to serve. They should have experience caring for infants and toddlers and be CPR certified. Employment would follow the school's calendars: August 5 – June, with days off for Christmas break, spring break, and other holidays. We are looking for childcare providers to work in one of two shifts, from 7:30am – 12:00 pm or 11:30 am – 4:00 PM.

Pay is \$15 per hour.

Your day would include:

- Loving, rocking, feeding, changing, and playing with babies.
- Loving, teaching, entertaining, feeding and caring for toddlers.
- Tracking children's play, sleep, and nutrition throughout each day.
- Providing developmentally appropriate activities and play for each child.
- Working with and communicating with parents.

Interested applicants should contact the Director of the Saints and Squires Daycare, Karen Deranek at [dderanek5@gmail.com](mailto:dderanek5@gmail.com).
