

Marian High School and the University of Notre Dame's Center for STEM Education are proud to sponsor the

SUMMER SCIENCE AND ENGINEERING CAMP

"Hands-on" and "Minds-on" Learning!

The two-week **Summer Science and Engineering Camp** is aimed specifically at middle school students. Students will work collaboratively to explore scientific questions and solve engineering design problems.

Week 1: July 6 - July 9, 8:00 AM - 11:30 AM

Week 2: July 13 - July 16, 8:00 AM - 11:30 AM

For students entering 6th, 7th, or 8th grade in Fall 2026.

Cost

\$100 per student. Those interested should inquire with the host school for information regarding scholarships.

Registration

Register at the following link to reserve your spot, or scan the QR code:

Camp Highlights

Perform experiments to learn about matter and the makeup of the world around us

Model chemical reactions and puzzling phenomena

Learn how to use different tools and technologies to solve problems

Engineer solutions to real-world problems

Location

Marian High School
1311 S. Logan St.
Mishawaka, IN 46544
(574) 259-5257
